

GBBF League of Extraordinary Teens - Registration and Donation Log -

	<p>It's important to turn in donations and registrations to your county Imagination Library sponsor <u>as you get them</u> so children can start receiving their books as soon as possible. Please don't wait until you've gathered all 10 registrations and raised your entire donation amount!</p> <p>When you're completely finished meeting the registration and donation criteria, turn in your last batch of registrations and donations with this log to your county Imagination Library sponsor and ask him to submit your name to the GBBF as an Extraordinary Teen.</p> <p>If you are a Beta Club or FCCLA member, please be sure we know that, too!</p>
